

1200 RUPEES GROUP INITIATIVE

ANNUAL REPORT 2025-2026

"SMALL CONTRIBUTION, BIG IMPACT: JOIN US!"

ABOUT US:

Donate Aid Society is a social initiative driven by the belief that the world becomes a better place when individuals come together to support one another. Our mission is to foster a strong culture of giving by providing a platform for individuals and organizations who are committed to contributing to the betterment of society. We strive to build a more equitable and inclusive community by pooling resources, extending support, and delivering aid to those who need it the most. Beyond merely offering financial assistance or material goods, our focus lies in creating meaningful and lasting connections between donors and beneficiaries, ensuring that every act of giving carries compassion and purpose. By encouraging a collective sense of social responsibility towards the underprivileged, Donate Aid Society aims to nurture a society that is more compassionate, interconnected, and sustainable, where every individual plays a role in uplifting others and driving positive change.

We are grateful to our donors for their Generous support of “Project Disha” our initiative dedicated to the upliftment of tribal communities.

Their significant contribution has made a tangible impact on the welfare and development of the Adivasi Katkari people, and we appreciate their commitment to empowering marginalized communities."

To generate the awareness about the importance of on Education and Health To provide students learning opportunities for the acquisition of values and basic skills that will help them become enlightened, creative, and productive members of the society. Health action program organised for Katkari people-the program is focused towards addressing issues of personal health care, hygiene, illness prevention. Impart the required skill sets into the youth and women and groom them for the available Employment opportunities. This will help to lead a life with dignity and self-respect.

WOMEN EMPOWERMENT INITIATIVES:

Under this initiative, **₹10,000 was contributed** to a skill development center for purchasing 4 parlour chairs.

This support strengthens women's self-reliance by creating opportunities **for skill-based employment**. It empowers women to become financially independent and build sustainable livelihoods.

A small step towards skill development, leading to big changes in confidence and empowerment..

FEEDBACKS:

“

Working with Donate-Aid Society has been an incredibly eye-opening and rewarding experience. What stands out most is the organization's sheer transparency and the direct line they create between a donor's kindness and a family's needs. Being part of this group hasn't just allowed me to give back; it has genuinely changed my perspective on the power of collective empathy.
